## Stretch Your Dollars...

Libraries are great places to stretch your household budget. Here are our top five suggestions for getting more for your dollar at the library:

1) Try before you buy. Books, movies and music purchases can really add up. Try them out before investing your hard earned dollars.

2) Drop some magazine subscriptions and read ours – in the library or through our web site.

3) Save on family outings by attending our free family-friendly programs.

4) Can't afford Aruba this year? Research local travel destinations at the library.

5) Two words: Free Internet
